Revez range of hinged / swing out wall mounted data cabinets, available in all popular sizes from 6U to 22U. This 600mm width range comes with a loading capacity of 30KG. Constructed from SPCC Cold Rolled Steel with a lovely powder painted finish, these units are built to last. The door is swappable from left to right to fit all applications. Great for those installs that require constant attention, perfect to easily access the back of the cabinet.

Model	U	Width	Depth	Height	Gross Weight	Net Weight
